TERMS CONDITIONS

1 **TERMS OF PAYMENT:**

Net 30 days from date of completion, a 1% discount if paid within 10 days of the invoice date.. Finance charges of 2% will be applied to each invoice past 30 days. Terms of payment will apply unless modified in writing by Custom Office Design, Inc.

2 **PRICING:**

All pricing is F.O.B. Auburn, WA uncartoned and pre-assembled. Prices subject to change without notice. Price lists noting latest date supersedes all previous price lists.

Prices do not include:

- A. Destination and freight charges.
- B. Delivery and/or installation charges.
- C. Crating or cartoning for shipments.
- D. Custom up-charges
- E. Special fabric and stain up-charges.
- F. Field measurements charges.
- G. Federal, state or local taxes.

3 **ORDERING:**

A. All orders must be made in writing and must be accompanied with a purchase order. Please use descriptions, model numbers, quotation information and finished codes. Also, list laminate or fabric color, wood edge color or self-edge color after the model number.

B. Orders will be accepted through email or over FAX machines as formal purchase orders.

C. Preliminary Orders - A preliminary order is a firm order submitted to Custom Office Design, Inc. which lacks the complete information required to proceed with the manufacture of that order, such as: size, color of, or choice of material, etc. Preliminary orders will be governed by all standard Terms and Conditions of Sale. Preliminary orders must include a requested ship date. We may acknowledge preliminary orders with a tentative ship date and at the time of confirmation will specify a date by which this information must be received in order to meet the confirmation ship date. If this information is not received by the date specified, the order will be rescheduled to a later date and reacknowledged accordingly by Custom Office Design, Inc. Orders which are rescheduled by Custom Office Design, Inc. due to the non performance of the customer in supplying the information required to complete the order as requested by Custom Office Design, Inc. will be subject the pricing policy in effect at the time of actual shipment.

D. Order Cancellations are subject to a charge of 20% of the total net bill of materials and any charges that have accrued through manufacture or purchase of special materials.

E. Order Confirmations will be made by email or FAX to the customer. The customer will receive a confirmation. It is the customer's responsibility to review this acknowledgement carefully to see that it is correct in regards to the bill of goods, pricing, and in all other respects.

F. Revisions, Additions and/or Deletions to an Order will be accepted if confirmed by Custom Office Design, Inc. Additions to in-house orders will be accepted at the same pricing as the original order and to the same address. Certain revisions to orders may affect delivery and pricing.

G. Customer is solely responsible for any errors of measurement on any custom manufactured product.

TERMS CONDITIONS

4 **TAXES:**

All taxes are the responsibility of the customer and are not included in our pricing. It is the customer's responsibility to provide Custom Office Design, Inc. with appropriate Tax Numbers at the time of order entry, otherwise tax will be applied as required.

5 **MINIMUM ORDERS:**

The minimum order that will be accepted is \$100.00 net. Orders for less than \$100.00 will be billed \$100.00.

6 **PRODUCT CHANGES:**

In accordance with its policy of continuing product and system improvements, Custom Office Design, Inc. reserves the right to change engineering, design or specifications without incurring obligation or liability and without further notice. Any product discontinued by Custom Office Design, Inc. will be made available only for a period of one year after date of product cancellation.

7 **WILL-CALLS:**

No order can be Will-Called unless notified by Custom Office Design, Inc.

8 **DELIVERY, SHIPMENT, FREIGHT:**

Common Carrier-Delivery to the carrier at point of shipment shall constitute delivery to the buyer and buyer shall assume all risk for subsequent loss or damage. All shipments made "Freight Collect" with instructions to the carrier to send freight bills to the customer at his main office. Custom Office Design, Inc. cannot guarantee delivery by a common carrier to any specific date. The consignee is responsible for the validation of all freight rates.

9 **RETURNS:**

No merchandise may be returned to the factory without an authorization from Custom Office Design, Inc. Items returned must be in original condition. Damaged items will be assessed and charged accordingly. No custom units will be accepted.

10 **5 YEAR WARRANTY:**

Material and factory workmanship of standard Custom Office Design, Inc. products are warranted for a period of 5 years for the date of invoice from our factory (unless otherwise stated in writing), provided the products are subjected to only the usage for which they were designed and provided they are installed in accordance with Custom Office Design, Inc. recommended installation procedures and cleaning instructions.

Use the first letter of the series and add to part #

Example:

1. To order a 72" width Arcadia Corner Desk with Left Extension and Desk Option of adding a drawer-Make hanging BBF.

2. First put the first letter of the series in front of the part number, then write out the

part number: A (for Arcadia) CD-2-3672L BIB (For adding the drawer-Make hanging BBF)

3. So it would look like this: A-CD-2-3672L-BIB

SPECIFICATIONS

VASHON:

TOP:

1- 1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate, edge with PVC Self-Edge. The top is separated from the base by a 1/8" Black Reveal to give the appearance of a floating top.

ENDS:

1-1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate and edge with PVC Self-Edge. All ends are sealed on the bottom and are supplied with leveling glides.

ARCADIA:

TOP:

1- 1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate, edge with 3mm Edge-Banding. The top is separated from the base by a 3mm Black Reveal to give the appearance of a floating top.

ENDS:

1-1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate and edge with 3mm PVC Edge-Banding. All ends are sealed on the bottom and are supplied with leveling glides.

GLACIER:

TOP:

1- 1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate, edge with 3mm solid wood edging, with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer.

ENDS:

1-1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate and edge with 3mm solid wood edging with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer. All ends are sealed on the bottom and are supplied with leveling glides.

YOSEMITE:

TOP:

1- 1/4" High pressure (HPL) industrial board, edge with 3mm solid wood edging, with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer.

ENDS:

1-1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate and edge with 3mm solid wood edging with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer. All ends are sealed on the bottom and are supplied with leveling glides.

SEQUOIA:

TOP:

1- 3/4" High pressure (HPL) industrial board, edge with 3mm solid wood edging, with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer. The top is separated from the base by a 1/8" Black Reveal to give the appearance of a floating top.

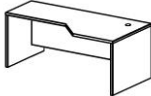

ENDS:

1-1/8" Industrial board covered on both sides with (TFL) thermo-fused laminate and edge with 3mm solid wood edging with 3mm radius hand sanded, stained and topped with 3 coats of hand rubbed lacquer. All ends are sealed on the bottom and are supplied with leveling glides.

SYSTEMS SPECIFICATIONS

Our goal is to provide dealers, interior designers and space planners with the highest quality office furniture at an exceptional value. Our lines range from custom designed furniture with highly detailed styling to off the shelf (quick-ship) furniture. Choose from twelve standard finish colors and edging. Use a combination of custom colors, features and configurations to give added flexibility in tailoring furnishings to your own space and budget requirements.

Easy to clean laminate surfaces, pedestal construction, grain matching and heavy duty hardware reflect the fine craftsmanship and quality materials in every piece. Every piece fits within .05" tolerance, and cut with our CNC machining centers, making assembly a breeze. Custom Office Design keeps an electronic file on every piece we produce, so replacement parts can be created on demand.

Think of Custom Office Design as your partner in designing and producing furniture that meets or exceeds your expectations. Our commitment to quality is demonstrated by a full five-year warranty. Everyone at Custom Office Design is committed to serving you well. We are open Monday through Friday, 8:00 AM to 4:30 PM.

HANGING BOOKCASE:

3/4" Industrial board laminated with (TFL) thermo-fused laminate, with matching self edge or 3mm wood edge. Fits standard binders.

HANGING BOOKCASE WITH DOORS:

3/4" Industrial board laminated with (TFL) thermo-fused laminate. Hinged door use 110° self closing hinge, flipper door slides up and over top of unit, 3mm wood edge or matching self edge. Fits standard binders.

STORAGE PEDESTALS:

3/4" Industrial board laminated with thermo-fused laminate. Unfinished top and back, comes with full extension Accuride® or Accuride supported hardware with 1" over travel, standard black vinyl drawers and leveling glides.

WORK SURFACES 1-1/8 (TFL) SELF EDGE, PVC EDGE AND WOOD EDGE

1-1/8" Industrial board covered with (TFL) thermo-fused laminate with matching edge.

WORK SURFACES 1-1/4" & 1-3/4"(HPL) SELF EDGE, PVC EDGE AND WOOD EDGE

1-1/4" or 1-3/4" Industrial board laminated with high pressure laminate and backing sheet, with matching edge

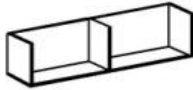

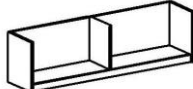

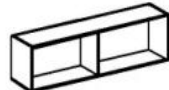

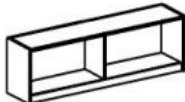

END SUPPORT PANELS:

1-1/8" Industrial board laminated with (TFL) thermo-fused laminate, comes with matching self edge or 3mm wood edge with 3mm radius. All supports supplied with leveling glides and mounting hardware.

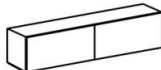

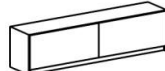

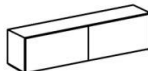

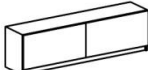

ACOUSTICAL PANELS

3/4" Industrial board septum laminated with 1/2" sound deadening board, wrapped in 100% polyester fabric that meets ASTM-E-84 class 1.

CONFERENCING SPECIFICATIONS

Our goal is to provide dealers, interior designers and space planners with the highest quality office furniture at an exceptional value. Our lines range from custom designed furniture with highly detailed styling to off the shelf (quick-ship) furniture. Choose from twelve standard finish colors and edging. Use a combination of custom colors, features and configurations to give added flexibility in tailoring furnishings to your own space and budget requirements.

Easy to clean laminate surfaces, pedestal construction, grain matching and heavy duty hardware reflect the fine craftsmanship and quality materials in every piece. Every piece fits within .05" tolerance, and cut with our CNC machining centers, making assembly a breeze. Custom Office Design keeps an electronic file on every piece we produce, so replacement parts can be created on demand.

Think of Custom Office Design as your partner in designing and producing furniture that meets or exceeds your expectations. Our commitment to quality is demonstrated by a full five-year warranty. Everyone at Custom Office Design is committed to serving you well. We are open Monday through Friday, 8:00 AM to 4:30 PM.

VISUAL AID BOARDS:

3/4" Industrial board laminated with high pressure laminate. Write on wipe off laminate on inside of back. 3/4" thick laminate doors with 180° self closing hinges.

CYLINDER, CUBE AND RADIUS CUBE TABLES:

3/4" industrial board laminated with high pressure laminate, cylinder and radius cube, use 1/2" fiber board laminated with high pressure laminate supplied with leveling glides.

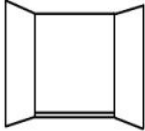

ROUND TABLES:

1-1/4" or 1-3/4" Industrial board laminated with high pressure plastic laminate and backing sheet edged with 3mm solid wood edge with 3mm radius supplied with leveling glides.

RECTANGULAR, BOAT SHAPE AND RACE TRACK TABLES:

1-1/4" or 1-3/4" Industrial board laminated with high pressure plastic laminate and backing sheet, edged with 3mm solid wood edge with 3mm radius supplied with leveling glides.
