Terms and Conditions

1. Pricing

- Prices within this document are subject to change without notice. Pricing Documents noting latest publication date supersedes all previously published Pricing Documents. *(See bottom of the Table of Contents page for date of this publication)*
- All pricing is premised on product that is made available for will call to The Buyer pre-assembled and unpackaged from our base of operations in Auburn, WA. *(F.O.B)*
- **Pricing does not include** Tax (Federal, State or Local), Product Packaging/Crating, Delivery, Installation, Freight-handling, On-site Services, Special-Order Materials/Hardware or additional Labor for Custom Product.

2. Taxes

- All taxes are the responsibility of The Buyer and are not included in our pricing. It is The Buyer's responsibility to provide Custom Office Design, Inc. with appropriate Tax Numbers prior-to/or at the time of order entry, otherwise tax will be applied as required.

3. Product Changes

- With principle to provide our customers with dependable product of consistent quality that is fit for use in the modern climate Custom Office Design, Inc. reserves the right to change engineering, or design specifications without providing notice, and without incurring obligation or liability.

4. Warranty

- To the original purchaser, and unless otherwise stated in writing, standard Custom Office Design products are warranted to be free from defects in materials and factory workmanship for a period of 5 years from the date of invoice from our factory (limitations and exceptions described below). If our standard product fails due to manufacturing or materials defect, we will repair it, or replace it without charge, at our discretion.
- Standard Custom Office Design products are covered by this warranty only if the products are installed in accordance with our recommended procedures, subjected to only the usage for which they were designed, and maintained with our recommended cleaning practices. Warranty may be rendered null and void if product has been altered in any way by The Buyer or a third party.
- Warranty does not apply to Colorfastness or C.O.M (Customer's Own Materials) or any other non-standard Custom Office Design material specified by the customer. All component parts not manufactured by Custom Office Design shall be covered by the original manufacturer's warranty.

5. Terms of Payment

- Qualified Buyers will have Net 30 days from date of Order completion to pay the balance of the invoice in full. Buyers lacking credentials may be required to make down payment or deposit in full prior to acquisition of any special materials or components required for Order production.
- Orders with net total of/exceeding an amount of \$5,000 require a minimum deposit of 50% total in addition to preceding terms. Custom Office Design, Inc. reserves the right to specify additional deposit percentage per Order as needed. When condition for deposit is applicable, an Order will be placed on hold until this condition is met and upon meeting this condition Custom Office Design, inc. will then proceed with the acquisition of any materials or components required for production.
- Finance charges will be applied to past due invoices.
- Terms of payment will apply unless modified in writing by Custom Office Design, Inc.

Terms and Conditions

Continued from previous page

6. Delivery, Shipment, Freight

- Common Carrier-delivery to the Carrier at point of shipment shall constitute delivery to The Buyer, and The Buyer shall assume all risk for subsequent loss or damages. Custom Office Design, Inc. cannot guarantee delivery by a common carrier to any specific date. The consignee is responsible for the validation of all freight rates.
- Delivery/Freight-handling can be arranged upon request with the proper information provided, and direct cost for the operation will be included in the Order's total unless it has been arranged that the operation will be handled Freight-collect.
- Operations handled Freight-Collect will be made with instructions for The Carrier to send the freight bill to The Buyer at their bill to address.

7. Ordering

- Orders must be submitted by The Buyer in writing and accompanied with a corresponding Purchase Order that includes prior quotation information and/or the complete information required to proceed with manufacturing of the Order.
- Any Order submitted by The Buyer but lacking the information required to proceed with its manufacturing shall be considered a Preliminary Order. A Preliminary Order may be acknowledged with a Confirmation that includes a tentative date on which the product is expected to be available for will call and an additional date for when The Buyer must supply the lacking information by for manufacturing to meet the tentative date. If lacking information is not supplied by the specified date the Order will be rescheduled to a later date and re-acknowledged accordingly when information has been supplied. Orders which are rescheduled due to the non-performance of The Buyer will be subject the pricing policy in effect at the time of re-acknowledgement.
- Confirmations will be made by email or fax to The Buyer acknowledging Purchase Order submission. It is the responsibility of The Buyer to review this acknowledgement carefully to see that it is correct in regards to the bill of goods, pricing, and in all other respects. Note that The Buyer is solely responsible for any errors of measurement on any custom manufactured product.
- Revisions to an Order after Confirmation will be acknowledged by an updated Confirmation if accepted. Custom Office Design, Inc. reserves the right to reject revisions. Certain revisions to an Order may affect tentative dates and pricing.
- Order Cancellations are subject to a charge that may include the net total bill of materials, including any expense accrued through manufacture or purchase of special materials.

8. Will-Calls

- Upon the completion of an Order's manufacture process Custom Office Design will notify The Buyer regarding the Order's availability for Will Call. The Buyer may not Will Call any Order prior to notification from Custom Office Design, Inc.

9. Returns

- Custom manufactured product will not be accepted for return.
- No product may be returned without prior authorization from Custom Office Design, Inc.
- Returned product must be in original condition. Damaged product will be assessed and The Buyer will be charged accordingly.

Material Specifications

Arcadia Typicals Materials

Surface Panels

1-1/8" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with 2MM PVC Edgebanding.

End and Rail Panels

1-1/8" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with 2MM PVC Edgebanding. Supplied with Leveling Glides.

Modesty Panels

3/4" Industrial board covered on both sides with (TFL) Thermo-Fused Laminate. When complimentary, edges are finished with Tape PVC Edgebanding.

Face Panels

Full Inset door faces. Overlay drawer faces, with exception to Freestanding Lateral Files which have Full Inset drawer faces. 3/4" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with Tape PVC Edgebanding.

Systems Materials

Applied Finished Top and Worksurface Panels

1-1/8" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with 2MM PVC edge banding.

Finished Panels

3/4" Industrial board covered on both sides with (TFL) Thermo-Fused Laminate. When complimentary, edges are finished with Tape PVC edge banding.

Unfinished Panels

3/4" Industrial board. When complimentary, edges are finished with Tape PVC edge banding.

Face Panels

Overlay door and drawer faces, with exception to sliding doors which are Full Inset. 3/4" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with Tape PVC edge banding.

Tackboard

Pinnable MDF panel wrapped in 100% recycled acoustical performance polyester textile that meets ASTM-E-84 class 1.

Worksurface Supports

1-1/8" Industrial board covered on both sides with Thermo-Fused Laminate (TFL). All edges finished with 2MM PVC edge banding.

H-Base Supports

1-1/8" Industrial board Ends covered on both sides with Thermo-Fused Laminate (TFL), edges finished with 2MM PVC edge banding where complimentary.

3/4" Industrial board Back and Shelf covered on both sides with TFL, edges finished with 2MM PVC edge banding where complimentary.

Product Specific Information

Extended Corner Desking and Surfaces

In addition to unit depth and width, all extended corner models (Desking and Surfaces) have three variables to denote design preferences:

(1) Extension-Direction, (2) Inside Corner Type, and (3) End-Depths.

Desking Example: ACD-0-3672RRA / **Surface Example:** ECTPVC-LP-3672RRA

(1) Extension-Direction: ACD-0-3672RRA / ECTPVC-LP-3672RRA
The first variable is noted "R" for "**Right Extended**"
(for "Left Extended" use "L" instead)

Left Extended

Right Extended

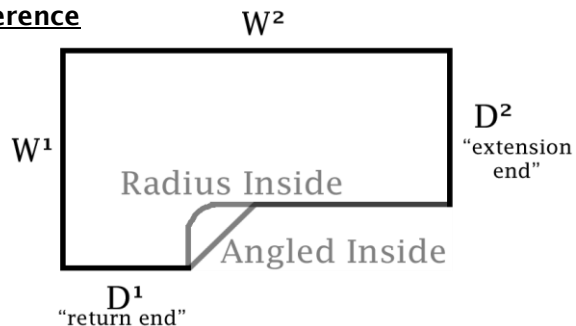

(2) Inside Corner Type: ACD-0-3672RRA / ECTPVC-LP-3672RRA
The second variable is noted "R" for "**Radius Inside Corner**"
(for "Angled Inside Corner" use "A" instead)

Radius Inside
Corner

(3) End-Depths: ACD-0-3672RRA / ECTPVC-LP-3672RRA
The third variable is noted "A" to indicate 24 inch depth for both the Return End (D¹) and the Extension End (D²) of the unit. (See chart and diagram below for further reference)

Standard End-Depths shorthand Reference

	<u>D¹</u>	<u>D²</u>
A:	24"	24"
B:	24"	30"
C:	30"	24"
D:	30"	30"
E:	30"	36"
F:	36"	30"
G:	36"	36"

* Please Note: End-Depths compatibility depends on the W¹ Width of the Surface. D² End-Depth must be at least 6 inches less than W¹ Width for Inside Corner.

Request quote for custom sizes

French Cleat Overheads

Overhead Units are standard with French Cleat hardware for wall mounting application, and sized to fit standard 3-ring binders (12"). Alternative construction designed for direct-to-wall mounting application available on request. Flipper/Hinged Door Units without Pulls unless specified.

• Flipper Door Units of width up to 82" wide have two doors with center partition, and units of greater width will have three doors and two partitions.

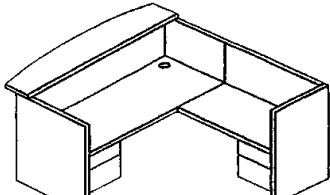

- **Outside Flipper Door** unit Doors slide up and then over the top of unit.

- **Inside Flipper Door** unit Doors slide up and then Inside of the unit.

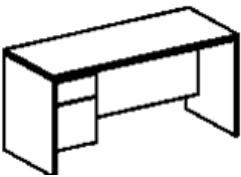

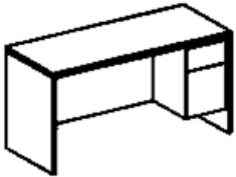

• Hinged Door Units under 48" width will have two doors. Units of width 48" wide or greater will have Four Doors and a center partition, unless otherwise specified.

Accessories

Cord Grommet

- Black ABS Material, Fits 2-3/8" (60MM) Bore Hole, 2-27/32" (72MM) Overall

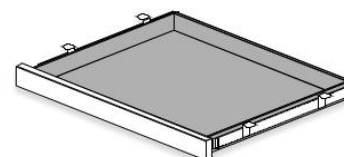

List Cost: \$9 / Each (1)

Center Drawer with Laminate Face (CD-1)

- 16-1/4" D x 20" W x 2" H Drawer box with 21" W x 2-1/4" H Laminate Face and 2" box. Face finished in any of our Standard Laminate Finishes.
- Includes under-surface mounting hardware, distance from surface can be adjusted after installation.

List Cost: \$500 / Each

Laminate Modesty Panel

- Finished in any of our Standard Laminate Finishes, horizontal grain directed.
Does not include hardware. Request quote for custom sizing

Example 3/4-Height Modesty Panel Replacement Costs

AD-0-3048 Replacement (18" Height x 45-3/4" Length) -- List Cost: \$118
AD-0-3060 Replacement (18" Height x 57-3/4" Length) -- List Cost: \$148
AD-0-3072 Replacement (18" Height x 69-3/4" Length) -- List Cost: \$179
AD-0-3084 Replacement (18" Height x 81-3/4" Length) -- List Cost: \$210
AD-0-3096 Replacement (18" Height x 93-3/4" Length) -- List Cost: \$241

Modesty Panel Bracket

- Black Epoxy Coated Steel Material, 3" Deep x 1" Wide x 8" H.
- Recommended for Modesty Panels with 15" or greater Height.

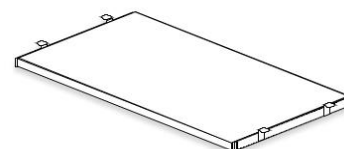

List Cost: \$13 / Each (1)

Laminate Sliding Keyboard Tray (SKB-21)

- 15" Deep x 21" Wide x 1-1/8" Thick Laminate Tray. Finished in any of our Standard Laminate Finishes.
- Includes under-surface mounting hardware, distance from surface can be adjusted after installation.

List Cost: \$262 / Each

Cantilever L-Bracket

- Black Powder Coated Steel Material.
- 24" x 29", applicable for supporting surfaces from 24" to 36" wide.
- 1000LBS per pair support capacity.

List Cost: \$119 / Each (1)
